Dear, Mr. Weisberg

By the grace of God I pray this letter finch you and your most precious love once in the best of health and very high spirits. I'm here at the Detention Center once more for speaking the truth about matter. I was reading the newes paper on febuary 22, 1997 and seen your name once again speaking on what you believe in and what is truth and facts. I stand behind you one-hundred percent. Its been a big cover up from the start, the goverment did that killing, and it was plan to see from the very start, they tryed there best to brain wash the world. But you kept the faith and believed in what you knew from the start Ray didn't do it. Mr. Weisberg I've learned so much from you over the years, and just knowing you helped me stay strong through life and its struggles. You are a great and wonderful person whom I deeply trust and love, you will always be in my thoughts and prayers forever. May thoughts of you carry on forever and ever, tell your wife I said hi! Well I've been here for 10 months already and I havin't wasted anytime at all trying to

learn and gain more knowledge about my purpose in life. Sometime we make big mistakes sometime small, but mistakes are things we do, its not who we truly are. I know I'm a child of God and I have a purpose here in this life and after this. I've filed a lawsuit against the Frederick County Board of commissioner, for a assault that to place here by the correctional officer here. Its been a uphill battle but I will keep fighting it. I've written numerous state officials in regards to my civil suit, but its all a cover up too. I trust in God and know he will win, I give him all the glory and praise. Mr. Weisberg you are very gifted with wisdom and knowledge and no one can take that away. Well I don't want to tire your eyes any longer, I have four months left here and this time through I've learned a lesson, and gain knowledge and wisdom. Mr. Weisberg it would be greatly cherished if you could send me one of your books you have written over the years. I still have the one you sent me once before and I cherished it from day one. So if you have one sitting around can you please send it to me, I would read it while I'm here these last 4 months. ~~which~~ Well I'll close for now may God bless you and your love ones.

Sincerely,
Larry C. Siler Sr.
